Beautiful low maintenance exterior flaunts vinyl and natural elements. This home is an interior row unit with beautiful wooded area located behind the property.

A large open Family Room is boasted with seller upgraded hardwood flooring that continues throughout the main floor. High ceilings and large windows adorn the room offering a welcoming atmosphere with loads of natural light. This expansive space focal point is a gas log fireplace flanked in slate with custom mantle. Gathering here with friends and family will be nothing short of a delight.

The dining area flows naturally from the family room allowing for easy entertaining. The high bar is a wonderful feature creating a space for buffets to be served or breakfast to be shared while food is prepared in the kitchen. Enjoy great views of the extended patio just beyond the dining room while eating meals or relishing in your morning coffee.

Space is never an issue with an abundance of gorgeous maple stained cabinetry and granite counters showcased in the Kitchen. Top of the line GE profile appliances including a built in microwave make meal prep time effortless. This kitchen also host ample space for a breakfast nook.

The Master Bedroom and two additional family bedrooms offer large space and high ceilings. Everything is clean and neat as a pin!

The luxurious Master Bath is gracious and features upgraded maple stained cabinets, tile flooring and separate garden tub and shower. Also included in this area is a generous closet that boasts plenty space for all clothing.
